-hundreds of games ruined for countless players including myself.

-attacks his own server occasionally to confuse the identity of the perpetrator (known as false-flag attacks irl).

I say it was a pretty big deal. Wilo isn't the honest type and the moment St0rm was brought into this server flooding drama, I always thought it was Wilo. I bet the other minions like MDK were involved too in actually carrying out the flooding.

This guy is lower than 0x90 at this point.

edit:

Wilo @ St0rm Forums:I cheated in a community battle. <--- It happens all the time with other people and little is done.

I crashed a server a few times using a small glitch that you failed to fix. <---- Happens to a lot of servers, including mine before I blocked it.

that's like saying "yeah I raped this woman in the park - so what it happens all the time."

Tells me all I need to know that he isn't remorseful in the least. He reminds me of the absolute power-holding monarchs of history.
