http://www.ultraaow.com :: Under Construction

Ultra All Out War: UltraAOW -developed by MPF- is a serverside modification with a bunch of new extra commands, purchasable structures, purchasable defenses special powerups and special crates.

Some features require you to be running the latest Tiberian Technologies script updated files which at the time of writing is version 4.0 Beta 3
If you do not already have it then please get the client installation from their official website below:
