TEAM MDK wrote on Tue, 28 February 2012 10:58yes there is we can offer support to a server we like regardless of who owns or runs it .  
Wilo has shown through years of abuse, time and time again, that Renegade as a whole is better off without him  
supporting st0rm means you support the rapid deaths of the remaining Renegade communities, especially any with more players than his

why don't you listen to what everyone here is telling you: ask him to leave  
st0rm doesn't have to die, and if Wilo were out of the picture things could go back to normal and the XWIS ban would be lifted immediately

TEAM MDK wrote on Tue, 28 February 2012 10:58as you kinda say no one here listens to us .  
but this action is pissing a lot of people off and if storm serv go's there will be at least over 50 ppl looking for some one to blame and maybe retaliate .  
maybe they should retaliate against Wilo, the source of all of their problems  
the fact that he's too power-hungry to step down and do the right thing for both his community and the Renegade community as a whole shows how selfish he truly is and how little he actually cares about you or st0rm's well-being
