no one did anything to him; he took it upon himself to terrorize other communities for months on end, entirely unprovoked

when you defend him you essentially defend terrorism

is his dick tickling the back of your throat kind sir

Oh yes liquid, Some guy from Massachusetts is my lord and savior. Now let me ask you, What compels you to keep bringing this subject up, I'm pretty sure it has already been brought up enough. Now I wasn't Civil With you on the st0rm chatbox, Even in IRC, and I apologize for this. Now if you would like to keep attacking me, i won't care. Ill stay civil.

don't question him Gohax

Sorry. That guy is probably one of the guys Wilo was smoking pot with, or better yet his friend in the DoD. He knows exactly what's going on.

Yes gohax, i don't know what's going on, not like there wasn't a thread made on the st0rm forums and here aswell. Anyway i quit st0rm, Not because of wilo's actions thought, but because of the people and honestly the people i used be with in renegade are no longer there.
To add also Gohax, I was at st0rm longer than you, Don't try and play like you were never there.

I remember not following anyone blindly, and i haven't been on the st0rm renegade staff for about 2 1/2 years. Get your facts straight.
