Wyld1USA wrote on Wed, 29 February 2012 10:19MDK just stop. Your conduct at one point had you ban everywhere. Your situation has nothing to do with Wilo. You 100% earned what you got. You even posted and apologized and admitted you were a tool after you were ban.

Liquid hopefully summed it up for you as far as Jelly Comm goes. Not that Liquid needs my help, but believe me when I say nothing Wilo said to anyone at Jelly would have resulted in any action being taken against you. I know the people @ Jelly very well and they always have their own reasons.

Nothing more to say so please stop posting.

my conduct are you for real dude can you not read .at what point have I insulted anyone or used bad language ?

such as this

do you not recall my pm to you on st0rm? are you seriously that brain-damaged that you can't understand this simple concept?

d) taking all of the above into consideration (mostly your attitude, because you're kind of like the alcoholic neighbor that has the cops getting called on him on a weekly basis) we banned you

stop repeating the same thing over and over, or i'm going to assume you are so brain-damaged that you're not worth talking or replying to

pretty sure everyone else has already come to that conclusion anyways

if you weren't so fucking retarded people wouldn't have to go so far off-topic just to address you
