There will be no wilo hiding as far as I know, lol.

well, you just lied to us with the claim the st0rm staff has nothing to do with this. From the looks of it (and the false news spreading by st0rm staff) the st0rm mods are well aware of what's happening and helping Wilo out.

Trying to "hide Wilo" to circumvent the XWIS ban also doesn't look like something that will make both sides happy.
