TEAM MDK wrote on Wed, 29 February 2012 18:10he gave me a second chance even after all the shit we did and said to eachother...that action earned a little respect.. something a lot of you guys will never get of most players

one of the very first replies to wilo's lying truth thread was you saying how he earned your respect by admitting to attacking other servers, which axiomatically included the admission that he'd been lying to everyone thus far (he was still lying even then, but a dimwit like you wasn't to know that)

your respect is bought by the most unusual of currencies, so forgive the rest of us if we don't value it highly
