Speedy059 wrote on Thu, 01 March 2012 02:54I don't have a clue what is going on here.
However, put your money were your mouth is and I'll sign the petition if you give me \$500.
I'll even give 0.002% of that back to the "St0rm" community as an endorsement.

I approve this message.

Kind of late for that as st0rm's leaving Renegade (more like no one wants st0rm anyways lol)
