Xpert... was just as bad? Did you read the shit that he posted? What, so zlining people from an IRC server you have access to is the same as:

- Beating your ex.
- Stealing money from your community members.
- Flooding servers.
- (Maybe) Causing a miscarriage whenever you knew your gf was pregnant.
- Being a constant "terrorist" over the Renegade community.
- Lying
- Cheating
- Faggot

So, all of those things make up for Xpert being zlined whenever he had access? And this was after he was banned from the forums for no reason, and he was zlined off of IRC himself for no reason. Hm.... But yes, Xpert is just as bad as Wilo.

Xpert, please don't beat your girlfriend and lock her in the closet until she say's she'll get back with you. Also, I was planning to donate some money to Atomix. Don't use it to buy you a nice looking TV, either. Also, don't flood Jelly. That'd be bad, too.
