iRANian wrote on Thu, 08 March 2012 23:29: did you ever record WhiteDragon changing the player model of a player to the terrain of another map?
Of course I did. This was the same day as the first flying toilet video.

Now, if only ccfan would freakin' restore my FTP portion at black-cell.net, I wouldn't have to find one of my hundreds of already-uploaded videos to put on YouTube when someone wants to see it again... Also, that reminds me, looks like the BC IRC Quotes page is still up.
