he hated me for a reason you guys are just sheep and hate me for other peoples reasons .

i dislike you for very legitimate reasons

you're completely unreasonable, narrow-minded, ignorant, uncooperative, at times hostile and abusive, irrational, and oblivious to the world around you

why do you think i dislike you?

TEAM MDK wrote on Wed, 07 March 2012 16:47now you are going to give me its the way I act or this thread .

the fact is from your very first post it was clear you hated me eventhou you didnt know me or have a reason of your own.

you can tell people hate or hated you? even though they're clearly telling you that they do not hate you? again i see the broken wheels in your mind turning

14:09He's still attacking Renegade servers, might be a good idea to contact the FBI?

what did you think he would do after his server was blacklisted just go away and say you win

...what do you mean by "you win"

he's an internet terrorist, and he wasn't wanted around here

his own community could have carried on if he left but he's far too selfish and power-hungry

the other people in charge at st0rm are sheep, not me or anyone else here

what's wrong with you? you're metaphorically defending the guy that raped the nuns instead of the nuns that got raped

maybe that's a bad example, because imagining you doing that isn't much of a stretch
