Yeah we're all mean mean hating people. We all sooooo hate MDK. Seriously, you can tell him 100 times you don't hate him, and then post sarcastically that you do hate him (like I just did) and he would say SEEEEE I NEW IT (yeah made a typo there on purpose, to make it look legit). \

MDK, I don't hate you. I dislike you for defending a madman and I pity you for not being too bright. For the rest, you're just entertainment. I come home and I find myself looking forward to seeing what kind of shit you wrote this time, then sharing it with my friends and laughing our asses off.
