I don't hate him either, but I still think he is a complete moron, he's has a right to defend himself...

Even if they way he does it is fucking himself over.

You have a guy who goes on a tantrum about other servers, and basically someone posts "I disagree" and you get, "NO UR BAD WHAT U KNOW dumb bady bad noob f**XK u and ur country i am rite all of da time yo be snizzle snippity snap babdoobab bamboozle", which is funny by the way, funny like someone getting hit in the nuts kind of funny and most of the time, that shit ain't funny.
