you guys know there's more to renegade than good tank work right lol? tildeth played alot with frozen and some other people, i wouldnt say tildeth was better than frozen at anything other than tanking, which really doesnt matter that much anyways, for example: look at kill, pretty sure all the good players can agree he was ATLEAST in the top 3 ever, and he wasnt amazingly good in any tank, nor did he ever win a 1v1 tournament as far as i can recall
