NACHO-ARG wrote on Sat, 17 March 2012 16:25shit i really would like to see this came back online, i miss kamuix lite times .

PD: i still have mike´s mod sourse if needed, dont know why i downloaded it back then as i dont know shit about server mods and such ;p

i have the old source myself i downloaded it knowing shit

ive been working on it 3 months then a year doin nothin
almost 3 years now i think and now i finally got it up without major bugs
