Animoskity wrote on Tue, 03 April 2012 03:18A source of mine is telling me he knows what happened but he can't exactly tell me what it is, apparently due to legality issues... But from the latest rumors i've been hearing, they've been completely hacked and wiped.

Would kind of explain why the huge downtime. But I think it's ridiculous to atleast not update this community. I wouldn't be surprised if the playerbase was slightly affected due to this. They might think it's dead forever, when as a shitty reality, might even remotely be true..

they are afraid of telling what happens?
