Brandan wrote on Fri, 06 April 2012 21:40l was told 4.0 only takes directx screenshots whenever the server owner wants a pic of your screen. I do know it's probably illegal and invasion of privacy laws because it's done without autherzation of the user and I'm sure if you wanted to you could sue strike team for uploading personal Infomation even if it's a picture of a game and probably win.

LOL.
