liquidv2 wrote on Thu, 12 April 2012 04:23 basically the dude was flooding and crashing servers daily for over two months, ruining hundreds of games on the only consistently full server left he wanted the players to join his server instead he lied repeatedly until he could lie no more, and in the end his community stood by his side Renegade is far better off without sociopath terrorists trying to fuck it up

st0rm being the gaming servers and st0rm being the guy who posts here aswell?
