Man, that hurts every time

I botted for Os on that occasion, since one of their players had been dropped. Turns out I botted on the nick of a known cheater, and people afterwards were going like: IS MUDKIPS THAT SAME GUY, MUDKIPS IS A CHEATER.

Then I fucking caught gorilla doing a triple snap in the fraps of the match, and to make it worse im not the type to keep my mouth shut

I could have had a whole 12,50 euros winnings if I hadn't said anything about it
