reborn wrote on Mon, 07 May 2012 17:56 Why are you having it written in Chinese? If the phrase is so important to you, what does it matter the language it's written in?
This.

Particularly because you don't have a fucking clue what it says.

Oh and btw, you are aware that there isn't such thing as Chinese? They have several languages there. Not to mention that Korean is again something else than the Chinese languages. You will have to be more specific.
