Intro

Welcome Commanders,

as some of you may already figured out, this upcoming 30th of May then Tiberium Crystal War will have its first birthday

The 30th of May Tiberium Crystal War exists exactly one year

Because of this, this upcoming Saturday the 2nd of June we will hold a Dev Night where you can play and talk together with the Developers and Testers of Tiberium Crystal War.

We decided to put it off to the weekend after the birthday since most people are either working or at school in weekdays.

Most of our Developers and Official Testers will be present during this event and we hope to see new players ingame having a good time.

Times

When will all this great happen?:

Saturday 2nd of June @4PM Amsterdam Time (UTC+1)

Saturday 2nd of June @10AM New York Time (UTC-5)

Saturday 2nd of June @3PM London Time (UTC)

Saturday 2nd of June @12AM Sydney Time (UTC+11)

P.s.

If you do not already have TCW 1.40 you can download it on our official website at <http://www.tiberiumcrystalwar.com>

Select one of the mirrors or use one of the three provided torrents to download it

Thanks

Thanks for reading this and potentially joining our games. Please feel free to spread this feature news on your clan- and or game-forums and websites.
