I've gotten the low-down on what you guys pulled on the server and I think you should be ashamed of yourselves for acting like such childish little brats.

Joe doesn't deserved to be bashed here, or anywhere.

Having observed what has gone on and not gotten involved, I'd still say that Joe isn't a very good moderator. He's far from polite and seems to start ranting to himself at some points, and when one person told him to stop talking and play the game he kicked him.

I'd say that is far from level-headed..wouldn't you?

Also a side comment, most of the bad comments in here are not from the people you criticise. Or are you ignoring those?
