AircraftkillerGot a great lineup coming tonight... It starts in two hours, 6 PM Central Standard Time.

Any requests can be made in this thread, or in n00bstories IRC - irc.n00bstories.com #n00bstories

Reptokill helped out greatly by giving me a long list of songs to play, so he'll be happy.

See you there! Yes, I'll be speaking, too.

Sounds good!

You should start right now though, cause I'd like to have my daily hour, as usual.
