Hello everyone, tonight (right now is open) we will start our new C&C Renegade Build Server (Sla BuildServ);

We invite everyone to build, race & have fun in our new map called C&C_Sandbox_3, featuring 6 different maps (MineCraft, Half-Life, Doom and 3 renegade maps, one of them is a fan map). You will be able to race in a large map called Death_Rally; at 21:00 GMT+3 (17:00 GMT) The Administration Team will do a race with everyone in the server.

Server Name: ~! Sla Mutant Build [4.0] !~
Address: 188.138.84.134:8813
On: XWIS/GSA.
Map: C&C_Sandbox_3 (resource manager will send the map)
if you don't use 4.0, download from here

Server is open now!

Features:

- save/load/list/delete builds
- build server site, where you can edit builds/settings
- free registration ingame (protects your nickname from being used by anyone else)
- VIP accounts
- 3 Build modes (door/bots/build)
- lots of commands
- big & fun map
- 4.0 server

Special Thanks to ExEric3 and XiiXeno for helping.
