it actually had two deaf players on the team  
aside from them (they did quite well) there were 4 or more players not actually using teamspeak,  
and two on teamspeak that didn't actually listen at all

not one of our best days  
we set a rematch for saturday the 16th

you're a depressing loser Azazel; on some level i'm happy that the thought of me being angry  
brings joy to your embarrassing existence

Still mad.
