Judging by your registration date, I assume you haven't been following the update in the making for Renegade.

The update in question is the "TT Patch" aka "Scripts 4.0".
It also has new (updated) mod tools.

You can find it all here: <http://www.tiberiantechnologies.org/downloads>

A direct link to the mod tools for your convenience:

<http://www.tiberiantechnologies.org/files/tt-tools-4.0beta4.zip>
