have The Avengers teach you basic grammar rules

Read that carefully. He's not saying he cares about using grammar. He's saying Whitetrashywood should. He obviously knows how to use grammar, but chooses not to. Whitetrashywood doesn't know how to use proper grammar, and doesn't care enough to use it.

You're trying really hard to make that word have an emotional meaning, and you're failing terribly.

/You're only 18, I can forgive you for not understanding words like this.
