Hypocrisy is about deception, you dumbshit. Liquid would be a hypocrite if he were to go around saying "i always post great posts, they're perfect in every way, the grammar doesn't ever suck, you all suck, blah blah". Afterward, he would then proceed to make shitty posts and comment on other shitty posts in the same fashion - that would be a very basic form of hypocrisy.

I'll let this famous quote explain it:

"Nothing is more unjust, however common, than to charge with hypocrisy him that expresses zeal for those virtues which he neglects to practice; since he may be sincerely convinced of the advantages of conquering his passions, without having yet obtained the victory, as a man may be confident of the advantages of a voyage, or a journey, without having courage or industry to undertake it, and may honestly recommend to others, those attempts which he neglects himself."

Eat shit; you lose, try again.
