John Shaft Jr.spreegem I Guess none of you care that the Chain IM thing, was for our soldiers fighting in Iraq. I don't like chain letters/IM's either, but I don't yell at the people, threatening to dos their site.

I agree with you. I do not like Chainletters/Chain IMs either. But I do not get that mad at people where I'm going to threaten them. I mean come on. Its just a stupid Chain IM. You mean you you're going to get that mad over something that stupid. Man, then I think some people need to step away from the computer for awhile.

Exactly, I either ignore a chain Im, or delete a chain mail letter
