Hey remember when I said I'm an asshole to certain people and I'm not ashamed of it? Also, I already sent the screenshot of what happened to a1pharius. I can post it here, too. Any reasonable person would suspect Whitetrashywood after the conversation I had, although I'm willing to admit that the person involved wasn't exactly forthcoming. I went with word of mouth - which is exactly why you're posting here.

I doubt I'll respond before Monday. I have a house to move into and I'm not terribly interested in replying via my phone like I am now. Also didn't you get "fired" from ButtHurtProductions?
