Sure, post it. From what I remember you told PointlessAmbler you had no definitive proof. I wonder when that changed~

And if it hasn't, then by your own words all internet people lie and nobody can believe you. Also why wouldn't you bring this up earlier? Seems you must have forgotten about it.

It seems strange that you make such a big deal about Wallywood being an asshole, while "shamelessly" being one yourself.

The terms on which I left BHP are nothing spectacular either. School was more important than working with them. That might change once this half of summer semester is over though.

Anyways, have fun moving in to your new house. I am sure you will be thinking of Wallywood the whole time.

See you on Monday, sweetie~
