ACK, I came back to back because you have inspired me. After calling WhiteTashyWood so much, I decided to change my life. I went and quit my job at Gamestop, stopped watching The Avengers Because lets face I'll never be a true hero and went and did 7 sit-ups so I would no longer be "Washed up prize fighter" I also read a Harry Potter book to help with my grammar. All because of you my friend, I have changed my life. Thank you kind sir or ma'am
