When it comes to Bluehell, ignoring anything AircraftKiller is pretty much the way to go.

He is as tenacious as a Christian Republican is when trying to ban gay marriage when attacking it. The "You are wrong and I am right, and nothing is going to change that" sort of attitude.

There really is no arguing with his constant hate/trolling. He can't argue for shit and resorts to baiting into a shitfest. He always takes the easy way out.
