We're back online, and looking into the cause. Don't worry about it.

I will however, say that we do not believe it to have been caused by either NoobStories or St0rm. So anyone with crazy conspiracy theories can PM them to Azazel. I'm sure he would be glad to have the attention.

LOL no one even suggested it was n00bstories. So it's a good thing you don't believe it to have been caused by us. We're too busy at n00bparty anyway. Xpert appeared to be implying it in a few places...

In any case, stop responding to Azazel. He's an attention whore.
