Play game 10 years, and unable to join a server, derp?

Also congratulations on being good at one aspect of the game, and even then being a pussy about it (hugging).

Also congrats to contributing to the amount of cheats available in this game, your big beacon arrays and such (which I bet you still use, even if not constantly, but every now and then)

Also sorry Jason took to long getting my pizza ahah, THEN THE SHOP WAS FUCKING CLOSING AS I GOT THERE!
