I was planning to wait a few days then respond, just to kill the conversation again. It's kind of like what I'm doing to a few of liquid's posts.

DJ made fun of Xpert's job, he has his own. Trojan made fun of Xpert's job, he has his own. I made fun of Xpert's job, I have my own. Who are these "people" you speak of?

If you had bothered to read this topic at all, you'd have put two and two together. I even quoted my own sentence relating to it. Hint: page 7, 3/4 down.

We all use whatever ammo comes to mind when being dicks to one another.
