wow no-lifer

No lifer, or checking things on my lunch break. BTW hows /fit/ treating you these days? Got any new pics of your boyfriend to show off?

Haha, wow, I didn't think your skinny arse would still be so jealous. It's ok, if you start lifting now you'll look remotely good in about half a year though!

I lifted five lbs last night. Does dis mean I'm in shape now bro?
