wow no-lifer

No lifer, or checking things on my lunch break. BTW hows /fit/ treating you these days? Got any new pics of your boyfriend to show off?

Haha, wow, I didn't think your skinny arse would still be so jealous. It's ok, if you start lifting now you'll look remotely good in about half a year though!

I lifted five lbs last night. Does dis mean I'm in shape now bro?

hahahahahahaha he uses lbs instead of kgs

holy fuck this dude is terrible

hahahahahahaha he uses metric instead of imperial

imperial master race
