Ethenal wrote on Mon, 09 July 2012 20:07lol, our flammers pwnt your mass btw  
i had quite some fun raping yours too

WubWub wrote on Mon, 09 July 2012 20:18 This happens to me a lot, my fps drops down to 1  
and I have to leave the game and come back at which point it returns to normal

yea, it have been hapening to me since beta 3, btw, nice to see ya around, are you still making  
skins?
