TheBeerinator wrote on Wed, 11 July 2012 13:15I giggle whenever I see the word "renehistory", and when people put on the internet tough guy act.

Between this, the best players thread, and the avengers thread, this has been a hilarious visit to renforums.

I giggle when you try to sex up trannies, then play it off like you were trolling them the whole time. I'll use a variation of what Failpert said to me: go back to your one little server and pretend like you matter.
