As much as id love to debate politics with you they are all just opinions and your entitled to them, 'Merica.

As for jarhead displaying his pride for being a marine it seems relevant as he was a marine and he plays renegade. Most people here have interest outside of renegade and like to share information or talk about them.

Maybe the reason you see the "overwhelming support against him" is because this is just one big forum clique that starts trends.

Clearly you cant think for yourself judging by the fact anytime someone says anything to you, 30 people have to jump in on that person to help you out. It says alot about you bashing someone you have never even talked to lol.

"OMG HES SUCH A SHITTY MOD, although I have never encountered him and im sure what people tell me about him is 100% true and happened exactly the way the told me it did, BUT YA HES REALLY BAD!!!!"

Get real.
