Crimson wrote on Fri, 13 July 2012 05:02It's really simple. Jarhead plays several hours a day. He's also an admin. Therefore, if someone fucks off in the server and deserves a kick or ban, the mathematical likelihood that he'll be the one to do it is much higher than any other of the NS staff.

It's just simple math.

The mathematical likelihood that he'll be the one to kick someone is due to the fact that he's got retardation when it comes to moderating a server.
