c0vert7 wrote on Mon, 16 July 2012 16:10 Yes a 6,000 SQ foot house built in the company I work at is just around \$300,000 throw in \$50,000 for 15 acres of land, how much does 1 lot in florida cost?

My mom and dad live in a decent house in a crappy town with lil value to property. They had a nice acreage until the economy crashed and my dads buisness went under ^^ . So add in those factors it doesn't take much to value over their house.

Lifted soon ^^

holy fuck what a complete waste of money
