iRANian wrote on Thu, 02 August 2012 14:08 actually you were playing for around at least an hour by then, because in that ss i have 126 kills and i joined after you had 60 kills, plus the hand was down so yeah lol

look at the k/d ratios of guys on the other team; not a single player has 1.0 or higher and i'm sure DJ was hugging against them as well

the only time his k/d stays up is when he's hugging against players that either can't hug back or aren't hugging back, and that's what's fun for him about Renegade
