you don't openly ask to be made a mod, but you do suck up tremendously wherever you're trying to become a moderator

it was st0rm last, but since then you've drifted over to n00bstories

you play at servers consistently until you're finally asked to be a moderator

at Exodus they said you were in there every single day until you were made a mod, and then you basically stopped playing

i cringed watching you kiss Wilo's feet

though i agree with what Wyld said in that quote - i'm not surprised that a server would mute ACK lol
