Aircraftkiller wrote on Mon, 06 August 2012 23:24...where "wyld1usa" somehow avoids a lot of hate because he throws off a fake Internet persona so he can convince everyone they love him.

Can I be thoughtful and kind to everyone on here? Certainly, and I've done it many times, but if I think someone's being retarded I'm not going to hold back. This is why "wyld1usa" is now the target and DJ is relegated to the backburner.

Im not a fan of you either, but you perfectly picked up the point about Wyld1 stories.

+1 for that
