Really that all you got? Seriously? You don't even know how to use the word "justify" correctly.

jus-ti-fy:

To demonstrate or prove to be just, right, or valid

I have made no effort here to prove anything. There is nothing to prove here so I'll type slow for you, I'm "clarifying" what peeps say that is all. I don't have to justify anything to anyone especially to you.

clar-i-fy:

To make clear or easier to understand; To clear of confusion or uncertainty

ACK in closing you really disappoint me. I thought you were an educated street smart personable person. I am upset we will never be best buds.

I do find you are more like:

pompous (ass)

1. one whom of which is full of pomp.
2. a self absorbed person.
3. an elitist pig, usually found inflating her/his ego to the point of nausea.
4. a self proclaimed stately person, commonly found talking down to others whom of which are typically in a higher intelligence quotient bracket.

You actually fit the definition to a "T". Wow. I do feel sorry for you though, you were probably like those kids that I regret picking on in my youth. Basically because it damaged them like we see in you. (Refer to the definition of pompous ass above to clarify.)

Have a nice life and I truly wish you well, but we will not speak again (enjoy that) as I have had my fun beating up on you.

Remember all, this is a gaming site where we are supposed to have fun. I think I have drifted from that as well. People like the KKK +1 clan have helped me realize that. I will fix that, maybe it is time you all did too. See you in the servers (you won't see me though lol).
