

this isn't a Wilo thing as we are getting hit too.[/quote]

yeah yeah yeah ... I remember when all you guys as a whole defended wilo at one point also .

I see the big picture .. area was and or is not always empty and when more than 4 or so players join it starts ti fill.. thats when it seem,s to get hit . I notice this started to happen around the same times other servers was starting out or new and where is it the players go to after the crash or flood ?????

yes I am makeing acusations with out proof seem's to happen a lot in ren. but I do have ppl who drop me info in pm maybe they also hate the ppl they are sayin things about .. but they know I am the one who will put this out there for others to see ..

.....MDK.....
