also shaitan, you're saying making a radio spam exploiter (and of course posting how to fix it) is the same as making an aimbot? well, I already knew you were a FUCKING IDIOT, so I guess I don't even have to say anything here

As long as we tell TT that we made R-G-H 5.0 it's all good then? Cool story dillhole.

I'd prefer if you didn't say anything to begin with. I feel myself becoming more and more retarded as I read your posts.
