Yeah, that was pretty cool when he downloaded MP-Gaming's MissionDM server
oh wait, that's actually pretty fucking gay
you were saying?

Yeppers I did, no question about that. I downloaded it years prior as well. It also died after I left, go figure that out.

Holy shit, G1D sticking up for me, wow.

LOL I see Atomix near the top there. Sorry Xpert, you can't bring back that deadass server, noone cares for it. xD
